- 5) PeopleService Report  
PeopleService operator, Jared Burkle, went over the submitted Operations and Maintenance (O&M) report for Water and Wastewater Departments for September 2021.
  - Water O&M
  - Well #2 pipe was fixed by Northway Well and Pump. Pipe developed a leak below the fluoride injection point.
  - Helped pour cement in Garden View Park for the beginning of the trail.
  - Found a private water line broken and leaking. Tim Rupard, with PeopleService, came up to assist Seth in overseeing the repairs and shutting down the mains.

- Wastewater O&M
- Inspected 66 manholes in the system looking for infiltration issues and manholes that need repair.
- Worked with Ethan Koehn to get quote on valve repairs.
- Had trouble with the effluent prior auto sampler. Couldn't diagnose issue so called GPM for a free diagnosis. GPM returned later in the month to fix the effluent prior auto sampler. Had to install a new pump motor.
- Repaired the old, aerated panels by the EQ basin that were falling apart. Rebuilt with new treated plywood.
- Worked with MB Construction to

camera the new sewer mains that were installed for the Kwik Star project. Transferred video to a flash drive and gave to MB Construction.

- .....Worked with MB Construction to mandrel test the new sewer mains for Kwik Star project to make sure no pipes were crushed during construction.
- .....Helped city with LMI survey by going door-to-door for residents that didn't complete the survey.
- .....Flushed out two sewer lines in the southeast section of town because a plumber called and said that they pushed a wad of debris into the main and we wanted to make sure it would not cause a sewer back up.

- 6) Upper Explorerland LMI Survey Results/Grant Writing Contact  
Diana Johnson, with Upper Explorerland Regional Planning Commission, tabulated the surveys that were mailed to a section of Monona residents that live around a sewer lining project area to be done in 2022. The city needed a LMI (Low to Moderate Income) percentage of at least 51.1% to apply for a CDBG grant of up to \$500,000 for the sewer project. After tabulation, the percentage was 52.84%. The deadline for the grant is January 1st. Diana presented a contract to the council for grant writing and technical services needed to complete the CDBG grant at a cost of \$3,000.00. It was moved by Wright, seconded by Landt to approve entering a contract with Upper Explorerland Regional Planning Commission, at a cost of \$3,000.00, to complete a CDBG water/sewer grant application and environmental assessment for a possible \$350,000.00 grant. Carried Unanimously.

- 7) Request for Laying Hens at 505 and 505 ½ East Iowa Street  
The city received a request from a resident to have laying hens on their property located within city limits. The residents were unaware of the need for a permit to have chickens in town and they currently have eight laying hens. It was moved by

Elledge, seconded by Schlein to approve the current eight laying hens, and allow them to naturally diminish down to six and then to never have more than six laying hens. Carried Unanimously.

- 8) Police Report  
Police Chief Amsden reviewed September 2021 monthly police activity summary. They responded to 312 calls for service during September. Twelve of those calls were for nuisance issues dealing with dogs. There was discussion on how the city can deal with these issues. They felt that some of the issues might be better handled by neighbors talking to their neighbors about the issue. The council requested that the city administrator include a copy of the city's ordinance dealing with dog barking in the next council packet. They also wanted some information on the possibility of requiring dogs with multiple dog barking complaints being required to wear a dog barking collar while they are outdoors.

- 9) Quote for "Stop Fyre" Fire Extinguisher AKE Safety Equipment  
A sales representative was in the area talking to cities about possibly selling some of their fire extinguishers to the city. These extinguishers are quoted to never expire, are refillable, require no monthly or yearly maintenance, are a multiple shot unit, and carries a 100% no-hassle, lifetime guarantee. After some discussion about the price and not knowing much about the company, this item was tabled until more information was obtained from a city that currently have them and an opinion of the Fire Chief.

- 10) Delta Dental Drinking Water/Bottle Filling Station  
Administrator Collins wanted informed the council of some more information regarding the Delta Dental Drinking Water/Bottle Filling Station. After participating in a ZOOM meeting it was clarified to Administrator Collins that upon filling out an application, Delta Dental

will be awarding the City of Monona a drinking water/bottle filling station at no cost to the city as a sign of appreciation for the city's 50 years of continuous support of adding fluoride to our water. The only cost to the city will be for labor needed to winterize the fountain every year. The city will need to submit some pictures of possible locations for the fountain.

- 11) AMVETS Post 27 Utility Bill  
The City of Monona received a verbal request from the Monona AMVETS Post 27 if the city council would consider waiving the city utility bill for the AMVETS. The city utility bill is based on a thousand gallons of water usage per month. After looking at the AMVETS water consumption over the last five years, the city found that the AMVETS use less than 1,000 gallons of water per year. The council also considered what was being done for other organizations in Monona. After some discussion it was moved by Wright, seconded by Schlein to approve waiving the utility bill for the Monona AMVETS beginning with the October bill. Carried Unanimously.

- 12) Approve New Monona Public Garden & Trail Board Member  
Jim Langhus sought council's approval on appointing, Brenda Moses, to the Monona Public Gardens & Trails committee. It was moved by Elledge, seconded by Landt, to approve the appointment of Brenda Moses to the Monona Public Gardens & Trails Committee. Carried Unanimously.

- Mayor/Council/Administration Notes:
- Administrator Collins informed the council that she will be attending the Iowa Municipal Finance Officers Association training in Des Moines this Wednesday, Thursday, and Friday.
  - Bacon Concrete LLC has started work on the Main Street Trail Extension project.
  - There is a chance that the Gate-

way Park ADA Parking and Hard Surfacing of campsite might start this Fall instead of next Spring.

Hearing no further comments, Mayor Koenig declared meeting adjourned at 6:54 p.m.

Next regular council meeting scheduled for Monday, November 1, 2021, at 6:00 p.m. at the Monona Community Center.
